New Metro Full Service Branch in Elkhorn

We are pleased to have opened the Elkhorn Full Service branch (located two blocks north of Dodge on the west side of 204th) earlier in August. This office includes a smaller retail lobby, two drive-thru lanes, and a drive-up ATM. [Read more about Metro's involvement in the Elkhorn community.](#)

Schedule an Appointment

Want to stop by a full-service location and speak to a Metro employee about our products and services? We now have online appointment scheduling. [Read more](#) and select the type of appointment setting that works best for you.

Differences Between a Personal Loan vs Line of Credit

Why are so many people in the Metro smiling? They are pleased with the personal loan and service they've received from Metro Credit Union to help pay off high-interest debt or other things like home repairs, special occasions, or unexpected expenses. [Read more](#) about the differences between a personal loan and a line of credit and how to protect your score.

New Law May Affect Your Financial Privacy

As part of a \$3.5 Trillion spending bill currently before Congress, there may be a provision that allows the Federal Government access to your personal financial information. The provision would require all financial institutions

to report your total deposits and withdrawals, above a specific threshold, to the Internal Revenue Service. [Learn more](#) and know that you still have time to prevent this.

What is an Escrow and How Does It Work?

The more you know about the home buying process, the more confident you will be in making the important decisions that will shape your home ownership experience. The information provided will help you make the best decision in your home purchasing decisions. [Read the latest mortgage blog.](#)
